

Are you experiencing fever, cough or shortness of breath?

If **YES**, call your doctor to find out if you need to be tested for COVID 19. If you do not have a doctor, come speak with medical staff from Harborview Medical Center. If you qualify for testing, you will get tested on-site. Language interpreters available by phone if you prefer to speak a language other than English. Call 206-520-2285 for more information.

Wednesdays and Saturdays

10AM-3PM

Walk-up and drive-up, no appointment necessary.

You do not need to be a Harborview patient.

Location: Atlantic City Boat Ramp

Who can get tested at this site?

- Those without a doctor or other access to testing
- Those with symptoms such as those above AND:
 - Can't isolate due to living in a group setting or a small space with multiple others (examples: homeless shelter, apartment with many other family members) OR
 - Are pregnant OR
 - Are over 60 OR
 - Have a chronic health condition such as heart disease, lung disease, or diabetes
- Asymptomatic health care workers, first responders, or caregivers at long term care facilities, homeless shelters, other group settings with a concerning exposure
